

Parental questionnaire Feedback 2018

Thank you to everyone who took the time to complete our parents' questionnaire. As a school, we are always looking at ways we can improve our provision for your children. During Parents' Evening on 16th and 17th October 2018, 94 questionnaires were returned. From this we found...

100% of parents say that their child is happy and feels safe at our school

98% of parents say that their child is well taught

95% of parents say that our school ensures that children are well behaved and that school responds well to any concerns

Around 10% of parents have questions around homework and the information they get about their child's progress

We plan to investigate this during the remainder of the school year.

We received some lovely comments too....

Very happy and welcoming with a good environment for learning

My little one happy, so mum is happy too!

First term and I feel my child has already progressed and learnt so much

Our child is extremely happy and we are very pleased with their progress. It is obvious staff at Eyrescroft care about the children and want them to do well

Thank you again for all the valuable feedback. Over the next few months we will begin to address some of the issues raised in order to continue to improve our Academy. If anyone has anything they would like to raise, please do not hesitate to come and speak to a member of staff.
