

Superhero day held at school

YOUNGSTERS at a city school were transformed into superheroes for the day in a bid to raise funds to give their playground a makeover.

Pupils at Highlees Primary School, in Ashton Road, Westwood, paid 50 pence each to dress up as their favourite superhero for the day last week.

They also took part in superhero-related activities, some which were on the theme of how to stay safe while on the internet.

Pupils' parents were also invited into the school during the afternoon and a cake sale was held.

The cake sale and the dressing up event raised £172, which will be used by the school to improve its playground facilities.
